GSG TALENT SOLUTIONS

PURPOSE, MISSION, VISION, & ETHICS

GSG Talent Solutions (GSG) is a subsidiary of Goodwill Central Texas. Below is a brief overview of our history, our mission, and the expectations of our team members.

OUR PURPOSE

GSG Talent Solutions is a staffing agency that specializes in connecting people facing challenges to sustainable employment to work. In 1995, Goodwill Central Texas piloted a program with State of Texas, placing people with disabilities or other obstacles to employment into jobs – and GSG Talent Solutions was established. The pilot experienced such tremendous success that the program expanded statewide in 1999. Today, GSG is one of the largest staffing firms in Austin and offers job opportunities to anyone needing employment assistance with both state agencies and private sector businesses.

OUR MISSION

Transforming generations by empowering people through education, career training, and work. We are committed to placing people into jobs that match their career goals and empowering them to be successful.

OUR VISION

We provide more than staffing. We provide Solutions. We are the premier provider of staffing solutions.

ETHICS

We strive to operate in an ethical manner, dealing honestly with our customers and our employees so that job orders are matched with the most qualified person available. We monitor our team members' performance and the environment in which they work to ensure that both are conducive to safety and excellence.

EMPLOYMENT POLICIES AND PROCEDURES

EMPLOYMENT AT WILL

Employment at GSG Talent Solutions is on an at-will basis. This means that either our employee or the company may terminate the employment relationship at any time, for any reason, with or without notice. Nothing in this employee handbook is intended to or creates an employment agreement, either express or implied. Nothing in this handbook is intended to interfere with, restrain, or prevent concerted activity as protected by the National Labor Relations Act.

EQUAL EMPLOYMENT OPPORTUNITIES

GSG Talent Solutions is an Equal Opportunity Employer. GSG Talent Solutions complies with laws governing nondiscrimination in employment, training, promotion, transfer, termination, and pay. GSG Talent Solutions will proactively seek qualified candidates with disabilities and/or obstacles to employment for opportunities.

GSG Talent Solutions will not discriminate against individuals with disabilities concerning terms, conditions, and privileges of employment. GSG Talent Solutions will make every effort to provide reasonable accommodations when necessary.

IMMIGRATION AND EMPLOYMENT ELIGIBILITY

In compliance with the Immigration Reform and Control Act of 1986, GSG Talent Solutions employees must demonstrate they are authorized to work in the United States within three days of hire and prior to placement. All individuals will be required to submit proof of their identity and employment authorization. Employees will also be required to complete Form I-9 and attest the information and documents provided are accurate, valid, and genuine.

All new employee I-9 data will be processed through the Department of Homeland Security (DHS) e-Verify system to ensure the accuracy and validity of the data provided. If employees are authorized to work in this country for a limited period of time, then before the expiration of that period, the employee will be required to submit proof of their continuing employment authorization in order to remain employed by GSG Talent Solutions.

DRUG-FREE WORKPLACE

In compliance with the Drug Free Workplace Act of 1988, the use of a controlled substance is inconsistent with the behavior expected of employees, future employees, and visitors to our locations. The abuse of controlled substances creates unacceptable safety risks and undermines the company's ability to operate effectively and efficiently. GSG Talent Solutions has a detailed substance abuse policy that is included in this handbook. Please contact your GSG Talent Solutions recruiter if any questions arise concerning this policy.

COMPENSATION / TIMECARD SUBMITTAL POLICY

Employees of GSG Talent Solutions are paid weekly, on the Friday following the week ending date of the timecard submitted. If that Friday is a GSG Talent Solutions, Goodwill Central Texas, or State holiday, every effort will be made to have checks issued on the last regular business day preceding the holiday.

Employees are paid for the reported and approved hours worked. Employees are responsible for reporting their hours worked in a timely manner to ensure an accurate payroll. All employees using the online timesheet system must submit time no later than 10:00 AM every Monday (unless otherwise instructed). Managers are also expected to approve timesheets by close of business the same day.

Employees who are using paper timesheets must do so by 12:00 PM every Monday. Employees must submit time before leaving work on the last workday of each week.

GSG Talent Solutions will pay its employees either through direct deposit into an employee's account or through a Pay Card. **All employees must choose one of these options during the onboarding process.** With direct deposit, an employee's paycheck is deposited directly into the checking or savings account of his/her choice. Forms for electing direct deposit or the Pay Card will be given out during onboarding and the employee must complete the forms within the first three days of employment.

OVERTIME COMPENSATION

In compliance with state and federal laws, overtime is paid to non-exempt employees for all hours worked in excess of 40 in a work week, beginning on Monday and ending on Sunday. Overtime is paid at a rate of 1.5 times your base hourly rate of pay. Hours worked means time actually spent on the job. Unpaid leave, holidays, or any other time away from work are not considered hours worked for the purpose of calculating overtime.

For employees working on state contracts, employees are not allowed to work overtime, unless overtime is included on a purchase order and is otherwise approved by GSG Leadership.

Payroll Deductions

GSG Talent Solutions is required by law to make proper deductions from your earnings on your behalf. The following mandatory deductions are made until the maximum amount is reached:

- Federal Income Tax Withholdings (Based on the number of exemptions on your W-4 form)
- FICA (Social Security)
- Medicare

No money is ever deducted from your pay unless we are required by law to deduct it, or you have provided written authorization for GSG Talent Solutions to make deductions. If an employee believes that an improper deduction has been taken from his or her pay, the employee should immediately report the deduction to his/her recruiter. The report will be promptly investigated and if it is found that an improper deduction has been made, GSG Talent Solutions will reimburse the employee for the improper deduction.

DIRECT DEPOSITS ISSUED INCORRECTLY

If the amount of pay issued is incorrect, it is the responsibility of the employee to notify the GSG Payroll Team immediately. Email any questions, concerns, or changes of address to payroll@gsgtalentsolutions.com

If direct deposit items are returned because of invalid account information or because the account is closed, the paycheck will not be reissued until the original direct deposit funds have been returned to GSG Talent Solutions from the bank. After a check is returned, direct deposit will be cancelled, and paychecks will be issued to a pay card until new or corrected account information is provided.

FINAL CHECKS

Employees who are terminated will be paid their final check no later than the sixth calendar day, following the date of discharge. For employees who have voluntarily left GSG employment, final paychecks will be received on the next regularly scheduled payday.

SUBMITTAL OF TIMECARDS

Hours worked are to be submitted using the approved method of reporting time. While most employees will be using the online time and attendance system, some worksites may require the use of hard copy timecards.

Hours worked must be approved by the manager at the site where the employee is working. If using a hard copy timecard, this approval must be part of the submitted timecard.

If the customer in which you are placed requires paper time sheets and does not otherwise use the online time and attendance system for payroll, you may drop off your time cards in person during regular business hours at the Goodwill Community Center reception desk, located at 1015 Norwood Park Blvd, Austin, Texas, 78753.

Employees should bring any work-related problems and concerns to the attention of GSG Talent Solutions as soon as possible.

- Friday after Thanksgiving Day
- Christmas Day

To qualify for holiday pay, employees must have:

- Worked 80 hours or more in the 2 weeks preceding the holiday.

Holiday pay is paid at the regular pay rate. Holiday pay is for eight hours. To be eligible, an employee must also work the last scheduled day directly prior to and after the holiday. Holidays that fall on Saturdays or Sundays are ineligible for holiday pay unless Saturdays and Sundays are regularly scheduled workdays. Holiday hours worked will be paid at your regular rate. Holiday pay does not count towards overtime.

GSG Talent Solutions performs routine mass audits to determine Holiday Pay eligibility. We do not perform individual time audits on demand.

If you wish to take time off in conjunction with a paid holiday:

Currently, all States Outside of Texas are on a State-by-State basis.

JURY DUTY

Employees must notify their GSG recruiter and their on-site supervisor upon receipt of a jury summons, and subsequent notice of selection to serve as a juror. Employees are required to be at work on days or partial days when not required to report to jury duty. Failure to report to work on these days revokes the employee's eligibility to receive pay for jury duty. Employees providing this community service will receive their regular rate of pay provided they submit proof of the jury duty request to GSG Talent Solutions. Pay is eight hours per day, up to three days. GSG Talent Solutions leadership must approve employee jury duty leave and all absences due to jury duty must be documented. Employees must send their request via email to their recruiter about the days and number of hours for jury duty pay, along with documentation from the court that proves jury duty was completed. - Acceptance of an assignment means you agree to work the required schedule of the assignment. You also understand that schedules may be changed based on business needs, and whenever possible will be communicated as early in advance as possible.
- Excessive absenteeism and/or tardiness may result in limited future placement opportunities or termination of employment with GSG.

- Do not take any property for personal use. This includes merchandise, supplies, telephones, copy machines, fax machines, computers, etc.

- Employees who have a second instance of a 'no call, no show' offence will be escalated to GSG Leadership for a decision on termination.

POLICY FOR ELIMINATING DRUG ABUSE

To help ensure a safe and productive work environment. GSG Talent Solutions prohibits the use, possession, manufacture, distribution, transportation, or sale of controlled substances, inhalants, and/or alcoholic beverages while an employee is on duty or at a job site. GSG further prohibits any employee from working while impaired by the use of such substances. Any violation of this may result in disciplinary action, up to and including termination.

If GSG Talent Solutions has reasonable suspicion that an individual is working while impaired by a controlled substance, an inhalant, and/or alcohol, GSG Talent Solutions may refuse to permit that employee to continue to work, pending further investigation. Should this occur, GSG Talent Solutions will offer to provide transportation for the employee to take a 'Reasonable Suspicion' drug test. If the employee refuses to be escorted and/or to submit to a drug screen, the employee will be deemed to have screened positive which will result in immediate termination. An investigation, which includes a substance abuse test, will be performed in an expeditious manner. The confidentiality of the information developed in such an investigation will be preserved to the extent reasonably possible. However, such confidentiality will not apply to information supplied to law enforcement personnel in their official capacity.

GSG Talent Solutions requires a pre-placement drug screen for individuals who are selected for placement with customers who have made such screening a condition of placement. Where a pre-placement drug screen is subject to government regulations or agency protocol, the appropriate drug screen procedure will be followed.

Employees who incur an on-the-job injury requiring more than basic first aid will be subject to a drug screen concurrent with treatment.

If an individual has a positive result for a prohibited substance, the employee is not eligible for employment and will be subject to termination. Similarly, if an individual refuses to take a drug screen or attempts to tamper with the specimen provided or otherwise alter the sample or results, the individual will be deemed to have a positive drug screen with the same consequences. Where the drug screen is the result of a work-related injury, the Workers' Compensation insurance carrier will be notified of the positive drug screen. The individual may be declined Worker's Compensation insurance coverage for the injury as a result of a positive drug screen.

Pre-employment drug testing may be conducted by GSG Talent Solutions. If additional testing is indicated, the additional testing will be conducted by a National Institute on Drug Abuse (NIDA) certified facility selected by GSG and the collection procedures established by the drug testing facility will be followed. Additional testing may be required if there is reason to believe the individual is under the influence of a prohibited substance not detected by the initial drug test.

EEO, DIVERSITY and HARASSMENT POLICY

GSG Talent Solutions is committed to a work environment in which all individuals are treated with respect and dignity. Each individual has the right to work in a professional atmosphere that promotes equal employment opportunities and prohibits discriminatory practices, including harassment. Therefore, GSG Talent Solutions expects that all relationships among co-workers will be business-like, free of bias, prejudice, and harassment.

EQUAL EMPLOYMENT OPPORTUNITY

It is our policy to provide equal employment opportunities to all employees and applicants for employment without regard to race, color, religion, sex (including pregnancy), national origin, age, physical or mental disability, genetics, sexual orientation, gender identity, veteran status, or any other protected status in accordance with applicable federal, state and local laws. Any employees with questions or concerns about equal employment opportunities in the workplace are encouraged to bring these issues to the attention of GSG Talent Solutions. These policies apply to all applicants and employees, whether related to conduct engaged in by fellow employees or someone not directly connected to GSG (e.g., customer). Conduct prohibited by these policies is unacceptable in the workplace and in any work-related setting outside the workplace, such as during business trips, business meetings and business-related social events.

REPORTING HARASSMENT

Every member of management has a duty to maintain a workplace free of harassment. This duty includes discussing the policy with all employees and assuring them that they are not required to endure insulting, degrading, or exploitative treatment.

Employees who believe that they have been subjected to or witnessed harassing behavior by co-workers, our customers, customer's employees or by our staff should report the alleged act immediately to their recruiter, member of GSG leadership, or may call the anonymous employee hotline at (800) 624-9178. If the harassment involves any of these people, the complaint can be taken to the Vice President of GSG Talent Solutions. Investigation of the report will be conducted by Human Resources.

All actions taken to resolve complaints will be conducted in a discreet and confidential manner. Employees shall not be retaliated against for reporting harassment or for participating in the investigatory procedure.

If an investigation results in findings that an employee did harass another employee or client in any form, the employee in question will be subject to disciplinary action, up to and including termination.

FAMILY MEDICAL LEAVE ACT Policy (FMLA)

The Family Medical Leave Act provides eligible employees with 12 weeks of unpaid leave each year for reasons related to family and medical concerns. GSG Talent Solutions uses a rolling 12-month year to determine eligibility. This year is measured backward from the date an employee requests to use FMLA leave.

An eligible employee is defined as:

1. An employee who has worked for GSG Talent Solutions for a total of at least 12 months,
2. An employee who has worked at least 1,250 hours during the prior 12 months and

FMLA leave is a protected leave of absence, meaning the employee will be placed in the same or equivalent position upon return or at the end of the 12 weeks. Employees will continue to be covered by benefits during FMLA leave and are responsible for paying their portion of the premiums. If an employee returns to work with an unpaid premium balance, future pay may be subject to additional premium deductions until premiums have been paid.

Employees must request leave to be designated as protected FMLA leave; such leave may be used for the employee's own serious health condition, to care for a family member with a serious health condition, the birth or adoption of a child or other circumstances related to the health and care of a family member in the US Armed Services, for which an employee may be eligible for up to 26 weeks of leave.

WORKERS' COMPENSATION

We carry insurance covering work-related injuries. Injuries may not be compensable, that is you may not be able to collect benefits if:

- The injury occurred while the employee was intoxicated or under the influence of an illicit substance
- The injury was an intentional effort to cause harm to self or others
- Injury was caused by another for personal reasons
- Injury occurred during voluntary off-work activity
- Injury was an act of God
- Injury occurred during horseplay

Report all on the job injuries to your onsite supervisor and GSG Talent Solutions immediately to ensure you receive proper medical treatment. You must contact GSG Talent Solutions to complete an incident report. Failure to report and complete the required incident report within 24 hours jeopardizes your right to benefits in connection with the injury.

Properly completing the reports, accurately and in a timely manner, allows GSG Talent Solutions to investigate the cause of the injury and identify and remove potential hazards, preventing injury to other GSG Talent Solutions employees, as well as accurately provide Safety Reports according to Federal reporting requirements.

Employees who are out during a period of recovery for Worker's Compensation must adhere to policies for communicating with their supervisor or management.

WORKPLACE VIOLENCE

GSG Talent Solutions has a Zero Tolerance Policy concerning workplace violence. Any act or threat of physical violence, including any form of intimidation, harassment and/or coercion, which involves GSG Talent Solutions staff or customers, when it occurs in connection with employment will not be tolerated at any time. Violations of this policy will lead to disciplinary action, up to and including termination and/or legal action as appropriate.

SAFETY PROCEDURES

Your safety is of primary importance to GSG Talent Solutions. As an employee, you are our most valuable asset. As a GSG Talent Solutions employee, you are expected to help yourself and others avoid accidents. Communication is the key to an effective safety program.

While there is no substitute for practicing common sense and being alert to hazards in the work area, you have an obligation to comply with the following requirements to make the workplace safe for yourself and your fellow employees. You must:

- Follow safe practices for the work area and for your job. If you are unsure of policies/practices, then ask your supervisor.
- Report all unsafe work conditions or instructions to your GSG Talent Solutions recruiter immediately for assistance.
- If you are injured or become ill on the job, you must report the injury or illness to GSG Talent Solutions. If you seek medical care in relationship to your injury, please contact GSG Talent Solutions prior to obtaining medical care.

In keeping with policy to provide a workplace free of known hazards and to provide effective safety for all employees, this program is established to help reduce the risk of work-related injury and illness to GSG employees.

In addition to reporting your injury or illness, you must also do the following:

- If it is necessary for you to go to the doctor or hospital, notify GSG of your expected recovery time immediately after you receive primary medical treatment and after each succeeding appointment with the doctor. Provide a completed 'Work Status Report' after each visit with the doctor and submit all paperwork from the physician to your GSG Talent Solutions recruiter or a member of GSG Leadership.
- If possible, contact the GSG Leadership Team for assistance with completing the employee injury report prior to receiving medical care. If placed on work restrictions, we will make every effort to accommodate those restrictions.
- Submit to drug and alcohol screening by the doctor at the time of primary medical treatment.
- Follow the instructions, advice, and medical treatment prescribed by the doctor and keep all scheduled appointments to fulfill the prescribed medical treatment plan.
- Failure to follow these instructions may lead to termination of employment, and denial of your workers compensation claim.
